Glen's new CD, *Unfolding* speaks to themes of personal transformation, unity and connection. Four songs are written specifically for Y.O.U. and youth: “Together,” “Secret Special Skill,” “No Problems Today,” and “Shine All The Light.”

“I asked the “Reegies” (Youth Leaders) what was on their minds as they planned Summer Connections 2013. They replied, ‘It’s so hard to leave this safe, loving, supportive place. How do we carry this love into our other real world?’ I get it. So I wrote ‘Together.’” (see next page)

“As the guest musician at the 2013 SE Regional Y.O.U. retreat...[Glen] was in every activity...The kids fell in love with him because he is so genuine... When you're the kind of person that gives yourself to your art I think, by necessity, you have to be the kind of person that shares your heart...you see that in [Glen].”

Y.O.U. Parent & Sponsor

Together

When I go home to the world out there
With so much to share, I won't be alone
When I go home, with my open heart
I will do my part, and I won't forget
 The things that I've done, or the people I've met
 The places I've gone, 'cause we haven't all gone there yet
We are together in this life. We walk together!

When I go home to my other home
Where my heart can roam, I'll go everywhere
When I go home, I will see you all again
All my heart-connected friends – I'll see you again!
 Nothing is perfect, but everything will change
 The world is renewed, but our connection will remain
We are together in this life. We walk together!

Uplifted by the things I believe
And grateful for the gifts I've received

When I go home to the world out there
With so much to share – so much to share!

Surrounded by you, my family
And grateful for the gifts I've received
I will not forget – I will not be discouraged
I will keep this love alive!
We are together in this life. We walk together!
